

BLUE EYE SAMURAI

SEASON 1

EPISODE GUIDE

E01. Hammerscale

Runtime: 62 minutes

Lone-wolf warrior Mizu gets stuck with an unexpected travel companion, while Princess Akemi grasps for a way to control her future.

E02. An Unexpected Element

Runtime: 48 minutes

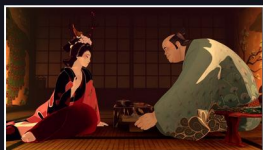

With a squad of deadly assassins on her trail, Mizu forges ahead — but hits a hiccup when she and Ringo arrive in town on a festival day.

E03. A Fixed Number of Paths

Runtime: 45 minutes

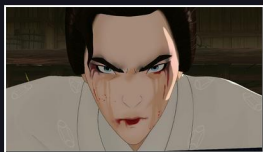

Taigen proposes a deal, and Mizu receives an invitation to tea. Life on the road turns out to be more challenging than Akemi imagined.

E04. Peculiarities

Runtime: 47 minutes

Akemi embarks on a new career and Mizu searches for a way to reach Fowler, bringing them both to Madame Kaji's rather unusual establishment.

E05. The Tale of the Ronin and the Bride

Runtime: 46 minutes

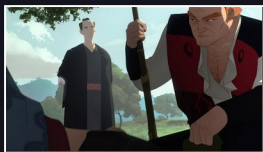

During a desperate battle, Mizu remembers another life — and a lesson she learned the hard way.

E06. All Evil Dreams and Angry Words

Runtime: 35 minutes

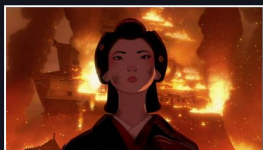

Determined to see Fowler dead, Mizu scrapes up all the wits, grit and strength she has left to make her way through his castle's defenses.

E07. Nothing Broken

Runtime: 45 minutes

Fowler, bound for Edo, reveals the terrifying scope of his plans. Akemi braces herself for her upcoming wedding. Mizu and Taigen return home.

E08. The Great Fire of 1657

Runtime: 49 minutes

As an army approaches, Akemi must choose her path. While Taigen risks his life for the royal family, Mizu remains hell-bent on her mission.
